class descriptions

BASIC 101 – “101” is a workout that incorporates purposeful movements and core centered strength, using weights, chair, and stability ball. Total body conditioning will challenge all aspects of your physiology while burning calories and building strength with stability.

BYOB POWER UP – This is a fast-paced, barbell/dumb bell-based workout that’s specifically designed to help you get lean, toned and fit, scientifically proven moves to help you achieve these targets more quickly than you would working out on your own.

FS8 CLASSES – Pilates Yoga and Tone with some “Hell Yes” each class format offers a different workout for every day.

GENTLE YOGA – This is a variation of Hatha Yoga which is accessible to students of all levels. This practice is taken at a slow pace and incorporates modifications for each pose that promote bodily awareness. Coupled with breathwork and meditation.

ICG CONNECT - ICG Connect coach by color cycle classes. These classes are the new revolution in indoor cycling the focus is on, Power Training, Heart Rate and Cadence.

PILATES – This is a mind, body, and spirit practice with benefits that include improved posture, better coordination and balance, increased lung capacity, improved concentration and focus, increased body awareness, stress management, and injury prevention. Practicing Mat Pilates helps build strong, balanced body and increases flexibility notice improvements in breathing, you only need your own body and a mat.

RESTORATIVE I-REST YOGA – This form of yoga stimulates the parasympathetic nervous system, which slows the heart rate, regulates the blood pressure and relaxes the body. As such, Restorative Yoga is considered particularly beneficial for those suffering from anxiety, insomnia or headaches, as well as other stress-related conditions. Restorative Yoga could just as easily be called “Mindful Yoga” due to the expanded awareness of self and body that comes through the practice of guided meditation.

CYCLE SWEAT STUDIO – Ride through this 30-minute, High-Intensity Interval Training (HIIT) workout, using an indoor bike to achieve fast results. It’s a short, intense style of training where the thrill and motivation comes from pushing your physical and mental limits to get you Fitter, Faster and Stronger

YOGA – A system of breathing practices, postures and meditation intended to integrate the body and mind to restore flexibility.

ZUMBA SIZZLE AND SWEAT – If you’re interested in getting fit through dancing, this is the class for you! ZUMBA SIZZLE AND SWEAT is a fitness program that combines Latin and international music with dance moves. These dance routines incorporate interval training and alternating fast and slow rhythms, to help improve cardiovascular fitness.

ZUMBA SIZZLE AND SWEAT TONING – This form of Zumba incorporates weighted toning sticks, this modality focuses on strength training the Abs, Arms and Thighs. The toning sticks functions like dumbbells to act as resistance weights while keeping the fun enjoyable workout of Zumba moves.
